Style Guide

GlobalGFX

Feb 18, 2026

To ensure consistency across:

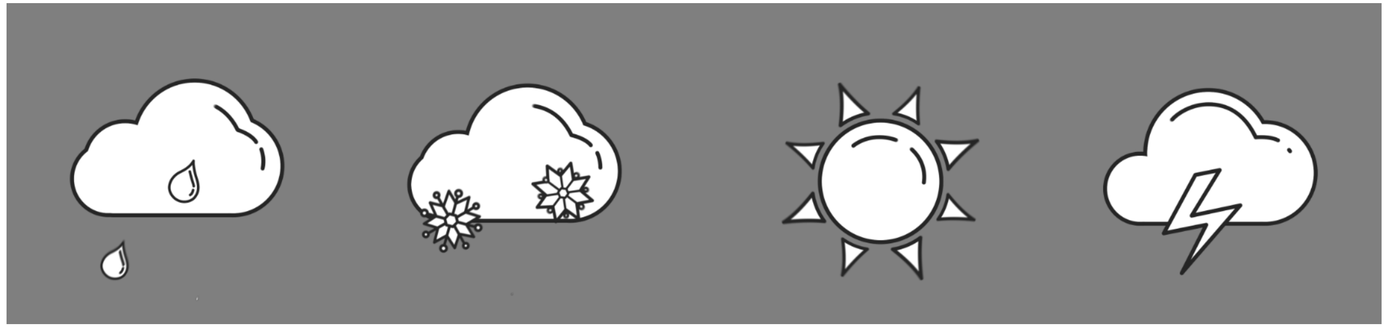
- Typography
- Iconography
- Data Visualization Style
- Process/Cycle Diagrams

Typography

- Large, bold main text
- Minimal supporting text
- High contrast against background
- **Dotted Stroked** Circular or Box Style text holder as per the requirement
- Icon (if required)
- Monochrome styled text color

Iconography

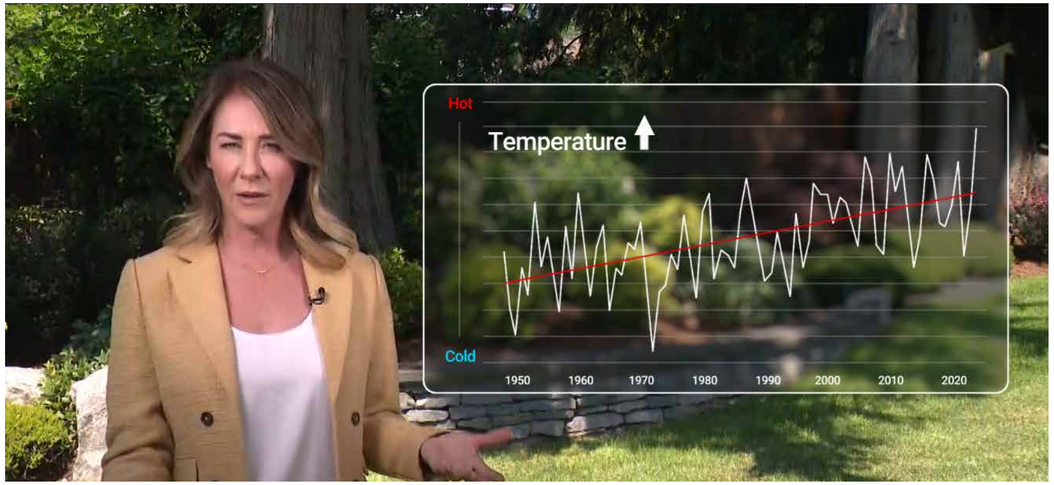
- Flat or minimal depth
- Rounded corners
- Consistent stroke weight
- Monochrome Style
- Subtle slide or fade animation

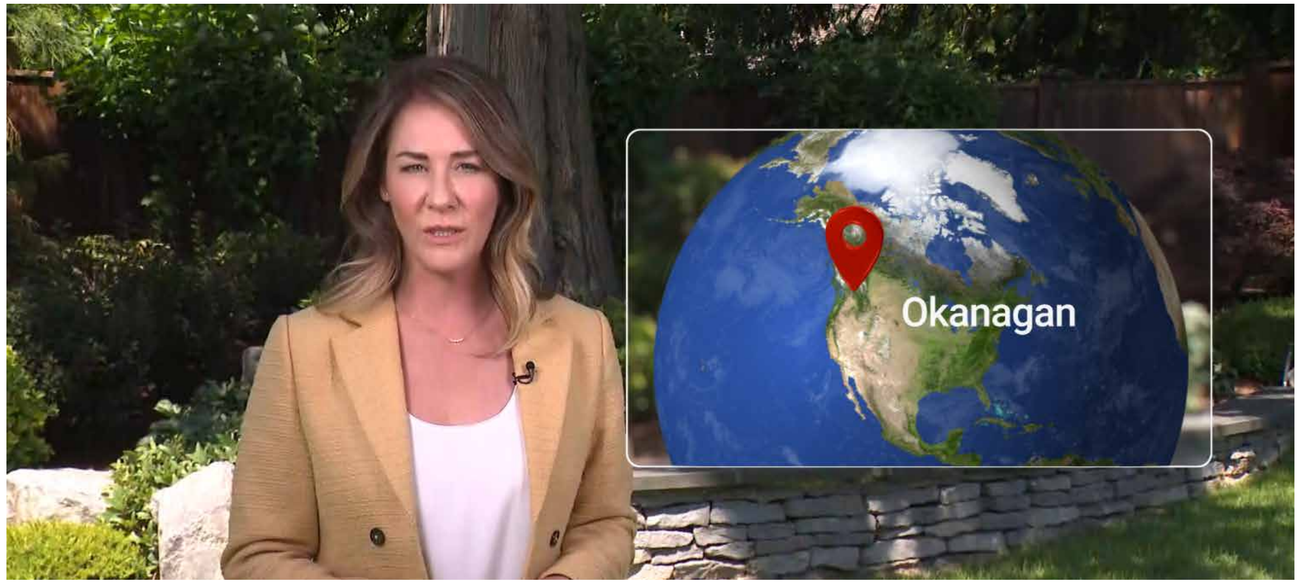


AFTER EFFECTS FILE:

Data Visualization Style

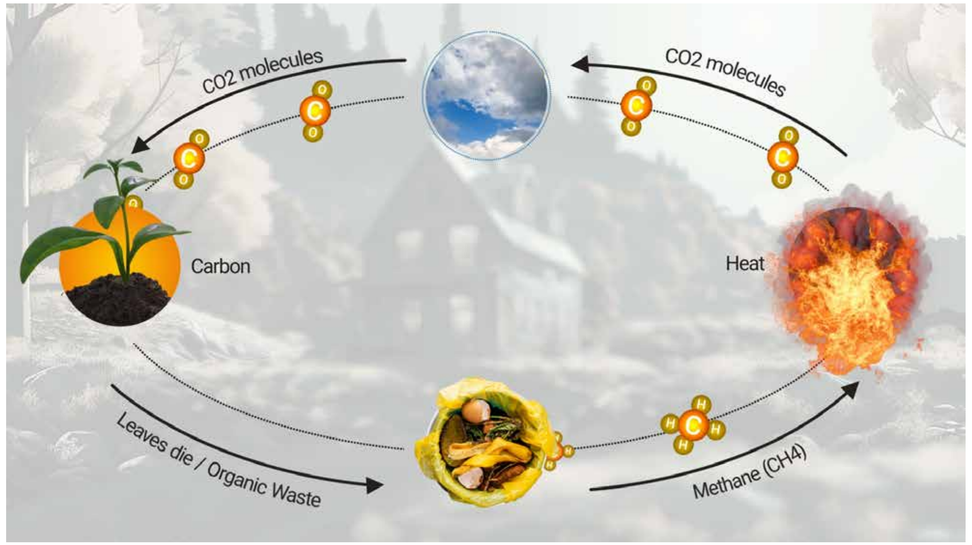
- Semi-transparent dark panel
- Subtle blur effect
- Rounded corners with subtle thin stroke border
- Generous internal padding





Process/Cycle Diagrams

- Circular flow for processes
- Even spacing with dotted lines to show connectivity
- Thin curved arrows
- Center-balanced compositions



Thanks
